The Dumpy Princess

BY **KARIN FERNALD**
ILLUSTRATED BY **SOPHIE FOSTER**

£9.99 **HARDBACK**
ISBN 978-1-84780-083-1

Princess Victoria lives in a world of dolls, pets and palaces. But with four bad uncles, a penniless widowed mother and wicked Sir John Conroy for company, life isn't easy. It takes Victoria's down-to-earth governess Lehzen, a nice German cousin called Albert and her beloved spaniel Dash to convince the plain little girl with no chin that one day she could become Queen of England. Wittily penned and delightfully illustrated, *The Dumpy Princess* offers a hilariously lighthearted glimpse into a royal childhood.

Karin Fernald is a RADA-trained actor. She researches and writes her own material to recreate characters and historical periods. She has appeared at festivals all over England at venues such as the National Portrait Gallery, the Foundling Museum, Dr Johnson's House and the Hurlingham Club. *The Dumpy Princess* is her first book. She lives in North London.

Sophie Foster graduated from Falmouth School of Art in 2008. Sophie lives in Bristol. This is her first book.
